

# Morning Edition® from NPR News® and KISU-FM Radio, 91.1 FM (Pocatello), 91.3 FM (Idaho Falls)

Waking up is hard to do, but it's easier with NPR's Morning Edition. Hosts Renee Montagne and Steve Inskeep bring the day's stories and news to radio listeners on the go. Morning Edition provides news in context, airs thoughtful ideas and commentary, and reviews important new music, books, and events in the arts... all with voices and sounds that invite listeners to experience the stories. And when you mix in all the latest local news and weather, it's a great way to make sure your eyes are wide open when you step out the door!
