Original Narrative Supplemental Narrative

On 111308 at 1135 hours I was dispatched to Russell Hall in reference to a report of criminal trespass. Upon my arrival, I made contact with the victim who stated that when she returned on 110308 at 1130 hours from fall break, she noticed that her bed and personal clothing items were soaked from an unknown liquid. The victim stated that she could not recognize what kind of liquid it was or where it came from so she slept on the futon. Victim's mother stated that when she came to campus with her husband, on 110808, to clean up the room that's when she realized it was urine. The victim was given a case reference card.
