

SUBMIT YOUR ADS THROUGH EMAIL OR FTP:

Completed Display ad:

Tired of having to mail your ad to us? Try emailing your ad to the Diamondback. We accept ads in EPS, TIFF, JPEG, PDF formats; we also accept ads as Quark, Photoshop, or Illustrator files (all ads must be complete/correct size and include all fonts and artwork used in ad).

Complete ads that include logos or artwork cannot be submitted in Microsoft Word or Word Perfect.

It is important to note that many times ads submitted electronically cannot be changed, so ads must be the correct size. Ads submitted electronically will be run exactly as submitted unless otherwise specified.

Text-only ads:

Text-only ads can be submitted through all of the above methods and as text in the body of an email and as a MS Word Document.

How:

Email: Ads can be submitted through email or by FTP. Ads submitted through email should be sent to:

advertising@dbk.umd.edu. Please include the date advertisement should run (including special issue if applicable), size of ad and contact information (including phone number).

FTP: If you have the proper FTP software (e.g. Fetch, AnarchiePro, Netscape Navigator, Tucows, etc.) you can upload an ad to our FTP site:

Host: ftp2.collegepublisher.com

User ID: diamondback_customer

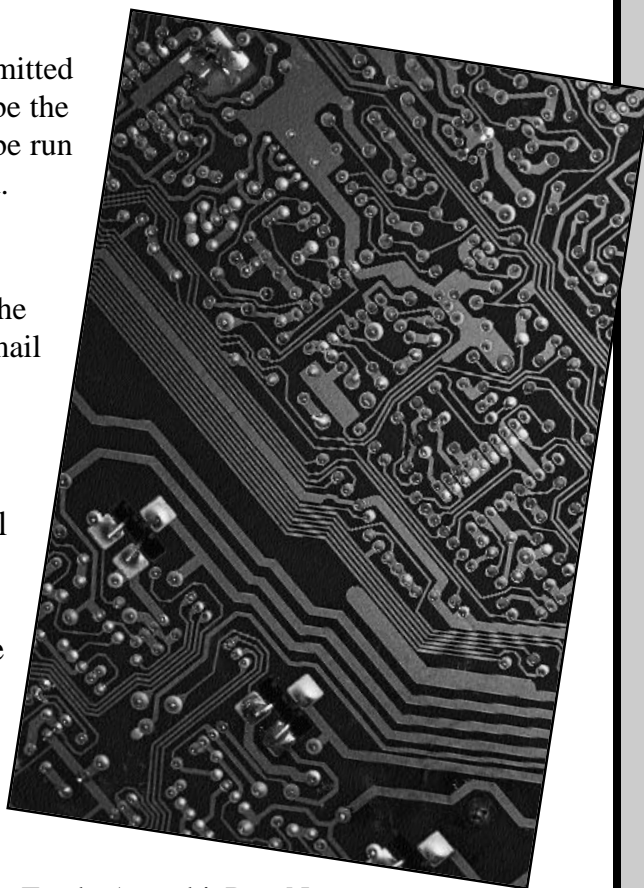

Password: dbkads321

Directory: AdDrop

For more information please contact your ad rep:
